19) Re: (3) Family Rebate

The 10 o/o family rebate referred to in the Comptroller's note relate to the passages from England to America and back to England. Although the family left separately at different times from India, they seem to travel together between England & America, as 3 Return passages (off-Season) are booked at the Same time now as claimed in the bill. But the Comptroller's Office seem to have no information re: Steamer fares ~~and~~ between England & America & the Concessions & rebates etc in that Connection. They appear to have ~~the~~ Simply accepted the rates

mentioned in the bill in respect of these journeys, and worked out a deduction of 10 p.c. on this claim (on the analogy of India-England fares given in Cook's gazette). There is nothing to indicate whether such a rebate is admissible at all, and whether all concessions allowable have not been ~~given already made~~ already taken into account in the figure Rs 5208 (3 X 1736) shown in the bill. Dear Sir,

In continuation of Government Order No. 3140-41/C.B.196-36-5 dated 20th June 1937 sanctioning the grant of certain passages to you, I am desired to state that Messrs. Thos Cook and Sons, Ltd., claimed in July 1937, a sum of Rs.8090-15-0 (vide copy of bill enclosed for reference) on account of tickets supplied by them to yourself, your wife and daughter. The full amount was paid to the firm in August 1937 pending final orders regarding the exact amount out of this that will be debitable to Government on the basis of the passages sanctioned in the above order.

On an examination of the charges claimed in the bill it has been held that in respect of items 1 and 2, a sum of Rs.1357-10-0 only is admissible as per P & O. rates as against the sum of Rs.1701-11-0 claimed and that the other charges may be admitted excepting the telegraph charges amounting to Rs.4-8-0.

I am to request you to kindly arrange for payment to Government of the amount of Rs.348-9-0 paid in excess, as specified above to Messrs. Thos Cook and Son Ltd. on your behalf.
